Sir:

The Applicants hereby request that the Information Disclosure Statement (IDS) and PTO-1449 filed with the Patent Office on July 10, 2006 be completely considered by the Examiner, as it appears that the Examiner has inadvertently failed to place initials next to references "AM," "AN" and "AO" listed on the above-mentioned form PTO-1449. The Applicants note that references "AM," "AN" and "AO" have been properly submitted along with the above-mentioned IDS. As a result, it appears that there is no reason why these references should be not be considered.

In view of the above, the Applicants also request that the Examiner return a completely initialed copy of the form PTO-1449 which was filed as part of the IDS of July 10, 2006.

Enclosed is a copy of the form PTO-1449 filed on July 10, 2001 for the Examiner's convenience.

Respectfully submitted,

Takeo KANAMORI et al.
